

## **Frequently Asked Questions when you purchase the Starter Kit and join Stampin' Up!**

### **Now that I purchased the Starter Kit do I have to buy anything else?**

No. There's never an obligation to buy but if you do, you will save a minimum of 20% on everything you purchase.

### **Do I have to hold classes or events?**

No. Many crafters join Stampin' Up! as a Hobby Stamper simply to save on the products they buy. Of course, there are many other benefits to being a part of Stampin' Up! and joining under me besides the savings!

### **What are some of those benefits?**

### **How long will I stay active with Stampin' Up!?**

Depending on when you join, you can be active up to 6 months enjoying all the benefits without doing a thing. Stampin' Up! requires a minimum of \$300 in sales per full quarter to stay active (you receive a 20% discount off this amount). If you meet the quarterly sales then you go on to the next quarter. If not, you simply go inactive and come back as a dear customer.
